

**WILLIAM F. WHITE  
INTERNATIONAL INC.  
STUDIOS**

# STUDIOS THAT MATCH YOUR AMBITION.

If you're looking for a studio to shoot your next project in, we've got your back.

William F. White operates state-of-the-art studios in the Vancouver and Toronto area that can handle any size of production. With 31 sound stages and ample mixed-use high-ceiling warehouse space spread across our eight facilities, William F. White Int'l Inc. has over 950,000 square feet of production-ready space.

Our studios offer strategic locations featuring support areas and workshops within the facilities as well as ample crew and base camp parking. Individual studios are equipped with various technical amenities such as the latest in fibre-optic connectivity, creating a modern and comfortable turnkey work environment.

Our other services including camera, lighting, grip, location support and specialty equipment are also within short driving distances of each studio facility.

# WE'VE GOT ALL YOUR BASES COVERED

For more than 57 years, William F. White International Inc. has equipped Canadian film and television productions with the most comprehensive and technologically advanced rental inventory in the country.

As Canada's only national equipment provider, we're committed to supporting productions of all kinds: tentpole studio feature films, experimental proof-of-concept web shorts and everything in between.

From state-of-the-art studio spaces to the latest cameras, specialty equipment, lighting, grip, expendables and location support, we maintain all our rentals to the highest possible standards. And we make sure you get what you need, when you need it, with six rental facilities strategically located across the country. Whites Studios also offers management and consulting packages for bundling our services and studio buildouts.

Talk with us today or visit us online at [whites.com](http://whites.com) to see how we can be your partners in production the next time you film in Canada.
